Thought of the day – Truth

The power of Truth is such that you need never be concerned about proving it. You need only be concerned with being it and living. Truth is always revealed, at the right moment, at the right place.

Thought of the day – On Making Mistakes

Mistakes matter. How you recover from them matters even more. The best way to handle a mistake is to learn from the mistake. Then you'll not repeat it nor ever be paralysed by the fear of making another mistake.

Poetry Of The Month

Our Sacred Hindustan Then and Now

Old phase – in happy trend

Where honey and milk was flowing stream,
Where lust for money was a dream,
Where people worked so hard,
That neighbouring countries had its record.

Where mind was without fear,
And the conscience of people was clear,
There men lived without counting year,
Where head held high,
And fields were producing from bounteous sky.

New Phase – in frustrated trend

Now it is our Hindustan,
Where peoples are divided into caste and Iman,
Where peoples' Dharam is no Insan,
Where selfish motto is in Dhyan,

Where corruption is on every lip,
Where morale of people has eclipsed,
Where people are tripped into dismal den,
Where brutish men hold feeble men.

Where food prices are soaring high,
Where for cloth prices plebeians shy,
Where taxes on all sources are in offing,
Where education cost is beyond enduring.

Where efficiency is shock to all,
Where graft, nepotism bringing down fall,
Where administration expenses are going up,
Beyond our capacity of tax payers cup.

Where provincialism, linguistic problems exist,
Where boot-leggers, smugglers and idlers are brisk,
Where discipline is straw in the wind,
Tangible grievances of public not to think.

Where ideological factors come much late,
Where ill planning makes money waste,
Where religious teaching is thought past,
Where irreligious trend seeming vast.

Where lust for money is peoples' creed,
Where corrosive habits are on the increases,
Where people are victim of inordinate delay,
Where clear stream reason lost its way.

Where real happiness for people is no more,
Where border dispute is on every shore,
Unto this hell of freedom,

My father!
Let my country awake,
Early or late,
It must rise to fate,
To achieve its past heritage.

KRISHNA AVANTI
PRIMARY SCHOOL

Introducing a new 2 form-entry primary school for Croydon

Avanti Schools Trust are pleased to announce the fifth addition to our family of successful schools. Supported strongly by the local community, the school will provide an outstanding education for all.

Avanti schools prepare pupils for their respective life-journeys by promoting educational excellence, character formation and spiritual insight. Our Hindu faith schools are truly inclusive, seeking pupils and staff from all backgrounds and faiths; we do not operate a faith criteria for pupils. Alongside teaching the full curriculum, we are unique in offering practical 21st century spirituality, rooted in ancient wisdom. Class meditations, values-led lessons and yoga encourage reflection and are tools for life.

The planned permanent site will be a brand new building where Victoria House currently stands (CR0 4HA).

All children that will be starting Reception year in 2016 should apply via Croydon Council from September 2015 and register their interest online:
